## **Congrats DMSS! 18 Time National Winners!!!**

Once again, we are honoured to announce that DMSS has been crowned National Champions for an unprecedented 18th consecutive year, boasting a substantial lead of nearly 600 points ahead of the second-place team.

To win this trophy 18 years in a row is an outstanding achievement - and we are extremely proud! This achievement reflects the exceptional talent, dedication, and hard work of our swimmers and staff! And what was equally impressive, was the sportsmanship displayed by our swimmers, parents and staff, embodying the spirit of the DMSS family.

We would also like to express our gratitude to the parents who volunteered their time to ensure the success of this event. Your support is invaluable, and we appreciate your commitment to our swimmers' success. Special thanks go to Onkemetse Manowe and Phyllis Grey for assisting us in managing a very large team.

Additionally, we would like to thank the Pabalinga, Mokoto, Mugomba, Montshiwa, Tsara, and Manowe families for sponsoring refreshments during the gala, ensuring our athletes were fueled and hydrated for their outstanding performances.
